Paul
your my oldest
friend. I'm sorry
about the airplane
in the Eye but it was
so much fun! Good luck
in the years to come. May
The Dark Forces of Mordor never cross
your path.

Best wishes

To Dave,
To a funny guy
who does very good
imitations of cute people
around this school. I'll
never forget the way Mr. Schmitt
told you to "back" and "yeld" just
sit there and stare at him.
Good luck

Your colors green and gold,
The symbol of your strength in the

Student Council — Class Officers

Front Row: Left to Right: Sherly Fleck — Secretary, Bill Ogden — President, Tom Falcioni — Vice President, Amy Phillips — Treasurer Back Row: Kim Kasmer — Asst. Secretary, Mary Cunningham — Alternate, Kathy Janas — Alternate

The purpose and philosophy behind Student Council is to give the entire student population proper representation in all school affairs.

According to Carlynton's Constitution, the Student Council shall consist of the following: A president, vice president, secretary, and assistant secretary, and one representative for each individual homeroom.

The officers are elected by the freshman, sophomore, and junior classes during the preceding school term.

After the new school year has begun, the representatives are elected by one of the four classes in which they belong. The officers then assign them homeroom duties.

Under this system, the best possible representation is achieved, because the most qualified people of the student body may be elected rather than each homeroom choosing its own representative.

Remember When . . .

Remember when you sat in the classroom on the first day of school? Everything looked so enormous compared to you. All other students were so much "bigger" and you looked up to them with respect. Well SENIORS, that's us now, and soon we will be on to other more adventurous things.

But first let's look back . . .

Remember those regular rulers we used long ago? Now it's all turning metric! Oh, and those crazy dunce hats you no longer see in the corner of the room. But there's always one in every crowd. And let's not forget those homework assignments. From the little one-page drawings of squares and circles and $1 + 1$, to the zillion-page typed research report to those notorious Π^2 problems.

Remember when we wore those crazy get-ups? . . . clip-on ties, high knee socks . . .

There are many memories we can recall and look back on and say "remember when" to. But these little reminders will always be in our minds and they'll all come back to us when we just stop, think, and say . . . "Remember when?"

Chorus

Cougars Capture Honors

The Cougar football team had another successful season. The team won its second consecutive Blackhills Conference Championship. The Cougars have now won 13 conference games in a row. Also, the team qualified for the W.P.I.A.L. championship playoffs for the second straight year.

The exhibition season began with a tie against Monaca and a loss to South Hills Catholic. The team then won the next seven conference games.

The Cougars lost 19-14 in the first round of the playoffs to a highly rated Beaver Falls team, in a hard fought game.

This year's team had many dedicated and outstanding athletes who

represented Carlynton High School and the communities (Carnegie, Crafton, Rosslyn Farms) with pride. Many of these players have received post season awards.

Cougar Grapplers Carry On Tradition

The Carlynton Cougar wrestling team continued the fine tradition established in the past with a 9-3-2 dual meet record even though they forfeited two weight classes (12 points) every match. The Cougar matmen finished second to Mt. Lebanon in Section VIII team competition with a 5-1-1 record. The team was led by Jim Christman (Black Hills Champ — 1978), Dave Gazella (1977 Black Hills runnerup), Dave LaSota (Section V runnerup), Marty Reaghard, Tim Stewart, Pete Schepis (1977, 1978 Black Hills Champ and 1977 Cal State Champ, 1978 WPIAL runnerup) Frank Trombetta, Terry Stewart, and Dave Johnson (manager).

Hoopsters Establish Hard Working Tradition

The 1978-1979 "Hustling Cougars" were a hardworking group with great potential. In preseason workouts and scrimmages hopes ran high as the team showed good tough defense and a quick hitting fast break offense.

However, once the season began, one close loss followed another and the wins were few and far between. Nine games were decided by four points or less; four games were decided by nine points or less. None of the thirteen ball games were won by the Cougars.

Through this long season, Coach Camarco was very proud of this team. The boys never stopped working despite all the heartbreaking losses. Morale stayed high, as evidenced by the fact that eighteen players out of an original nineteen who tried out finished the season.

Despite an overall season's record of four wins and eighteen losses, this team played some of the best and most exciting basketball in the history of Carlynton high school. This team established a hardworking tradition that will be a plus for future Cougar roundball teams. This year's Seniors were: Ray Ferguson, Lou Mersing, Mark Kovac, Tom Byers, Jon Grill, Al Cox, Jim Pschirer. Get your heads up, "Hustling Cougars."

Females Splash

The Girls Varsity Swim Team began their season practicing two weeks before school started. We improved greatly by the end of the year, because we started with no divers and mostly inexperienced swimmers. By the end of the season we had four good divers and many of the freshmen who had gone out were doing great. Good Luck Debbie, Maureen, Chris.

Boys' Tennis Looks Ahead

This year the Boys' Tennis Team started its daily practice after school in March. Hard practice sessions prepared them for the season ahead. With Mr. Vogt coaching the team tried to improve on the 8 win and 4 loss record of the three previous seasons. Mark Kovac, Mark Phillips, Miki Szabo, Bill DeMark, and Jeff

Berringer were the returning lettermen who played an important role for the Cougars this season.

The Splashing Cougars

This year's Swim Team was unusually small, but for its size it was packed with talent. Every meet was filled with excitement, from the 200 yd. medley relay to the 400 yd. free relay.

Much credit must be given to the supporting underclassmen this year. There were two seniors and eleven underclassmen on the team, five of whom went to the WPIAL qualifiers.

Three records were broken this year, along with one nose. The Swim Team also sponsored a Swim-a-thon for Children's Hospital this year. They swam all day and raised over \$1,200.00.

Many friendships were kindled this season, some that will last forever. Thanks to Mr. Vogt and Mrs. Green, a great coaching staff. Good-Luck in Houston!

Golf Best Team Yet

The Carlynton Golf Team completed its third and most successful season last fall. The Cougars were 6-

2 and placed 2nd in the Section losing a bid for the championship in a sudden death playoff.

Outstanding individual play was also at its best: Jeff Berringer had the lowest average with a 88.1. Jeff also scored 17 out of 21 team points. Rich Mendola scored the most team points with 19½ out of 21. Rich also had an 88.3 average.

Ken Keushner set two school marks this year. Ken became Carlynton's first Section champ in Golf and by doing this set a new school record by shooting a 79. Ken also placed 12th in the Northern Qualifiers in Butler with a score of 80.

Congratulations to the Golf Team for an excellent team effort.

Carlynton Sluggers Do It Again

The 1979 Carlynton Baseball Team had 7 returning lettermen this year. Two out of the seven were pitchers. A blend of superlative pitching, tight defense, and an opportunistic offense resulted in one of the best seasons ever. Mr. Sonson, the coach, is proud of his team.

Boys Track

The Carlynton Track Team is looking forward to the 1979 season with great enthusiasm. We have

many great athletes returning from the 1978 team which met with great success last year. With the hard work and dedication that the Carlynton track athletes have for the sport we will have another winning season.

Girls On The Run

The Girls Track Team worked hard this season under the support and training of Coach Ripple and our inspirational assistant, Mr. Valalik.

Cold weather and sore muscles did not hinder our performance as the girls could be seen practicing hard every day after school. Sprints, long distance and exercises filled our daily routine.

We would like to acknowledge Dyanne Witwicki for her outstanding achievement for competing in States as a triple jumper.

Way to run girls!

New Club At C.H.S.

This was only the second year for the C.H.S. Hockey Club. It consists of 15 members and is sponsored by Mr. Gearhart. During the meetings

hockey is discussed, films are shown, and guest speakers present talks on this hard-hitting sport. The club went to many Penguin games this year and hopes to go to many more next year.

Nose Warmers Anyone?

The Knitting Club's needles were hard at work this year. The club's sponsor, Mrs. Jane Stout, radiated the enthusiasm to make hand made articles benefiting various charities. One of the unique and ridiculous projects was creatively crocheting nosewarmers.

At first, students were apprehensive in purchasing the colorful pom-pom clad nosewarmers, but eventually as the weather grew colder, students grew bolder.

The Knitting Club donated all proceeds to the Children's Hospital Fund. Thanks to all who made this year a success!

Ski Club Travels

This year the Ski Club, with a great deal of help and support from

Miss Ripple, made several expeditions to Seven Springs. The individuals developed better skiing techniques and look forward to next year's "Winter Wonderland". See you on the slopes!

Male & Female Top Bowlers

The Bowling Club meets every Thursday from 4:00-5:30 P.M. at Noble Manor Bowling Lanes. Their sponsor is Mr. Derrickson. This year they had 36 members in the club. They pick teams and compete against each other. Denny Pierce and Sandy Weber were the top bowlers this year.

Carlynton Secretaries

The Future Business Leaders of America Club is organized to help those students interested in the field of business. The purpose of the club is to acquaint the students with various careers available in business. The students have the opportunity to visit various business schools and large business offices in the surrounding area. This year's officers were: President — Darlene Semans, Vice-President — Kathy Dorman,

Secretary — Kelly Smith, Treasurer — Pam Halenda. The club is sponsored by Miss Solomchak.

Les Français

The French Club is interested in promoting the study of foreign language — specifically French. This year the club has 43 members. The President is Jack Gabig, Who visited Europe last summer; Vice-President, Amy Phillips, a fourth year French student; Secretary, Chris Kay; and Treasurer, Carol Gabig. During the year several committees worked on projects such as planning club meetings, preparing refreshments for club meetings, Christmas caroling, and organizing our ever popular "Pâtisserie".

Members of the French Club participated in several field trips. This year they went to the Slippery Rock Foreign Language Festival where they presented a skit about the "Panthère Rosé" along with a few commercials in between such as "Underoos" and "Riunite". They participated in the Buhl language Fair in February where they presented the French Club's version of Saturday Night Live. In March they attended a special concert of French popular and folk songs sponsored by The National Theater of the Performing Arts. In May, several club members attended a guided tour of French Impressionists paintings at Sarah Scaiffe Museum in Oakland.

The French Club will remain active in stimulating an enthusiasm

for the study of French language and culture.

We would like to thank "Madame" for all of her help. (Mrs. Cumo)

Another Reuben, Please

The German Club is dedicated to exposing its smembers to the language and culture of Germany. The German Club has 35 members and is sponsored by Miss Spitznagel. The club's officers are: President — Mike Bladel, Vice-President — Dave Muenz, Treasurer — Tom Devlin, Secretary — Lois Morford.

Although we didn't travel abroad this year, Europe came to us via the music of the Austrian "Stratton Mountain Boys" who performed with their 12 foot Alpine horns, jubilant cow bells, and leg slapping "Schuhplattler" dancing. Another field trip included a German version of the Buhl Planetarium Sky Show and the participation from members of the III-IV class in a humorous play about a German Robin Hood named Till Eulenspiegel. Tom Devlin and cast amused the audience with their roguish antics and tight rope walking.

"Another Reuben" and "More

Cheesecake". These orders were enthusiastically filled by German Club members at the annual "Mittagessen", held on Valentine's Day. The club also plans to hold a picnic during the summer for its members.

Gymnastics Club

The Gymnastics Club consists of 16 members this year. This sport involves a lot of time and practice. The members work out on the uneven parallel bars, practice tumbling, and learn new gymnastics exercises.

Jock Club

The Varsity "C" Club is an honorary club made up of all boys who have earned a letter in a varsity sport. The club maintains the trophy case and performs other duties pertaining to the athletic teams. This year the club sponsored a dance and staged its annual picnic.

This year's officers were: President — Mike Tokarczyk, Vice-President — Ron Killen, Secretary — Jim Pschirer, Treasurer — Steve Foley, Mr. Yost is the Sponsor.

El Rincon Español

The Spanish Club has many new members this year eager to make this club a success. With the officers, Christine Melia — President, Mark Kovac — Vice-President, Mary Musiol — Secretary, and Maureen Mucha — Treasurer, we all work together on our activities this year — a bake sale, car wash, and our major goal — The Spanish Luncheon in the Spring! We would especially like to thank Mr. Romano for his help and for being our sponsor.

The Betty Crockers Of Carlynton

The Carlynton Chapter of the Future Homemakers of America maintains the goal of the national organization. Our goal is to help our members assume their roles in society through home economics education in the areas of personal growth, family life, vocational preparation, and community involvement.

Thank you and Mr. Gunn for all your time, help, and patience. We all love you. Good Luck to next year's squad.

Drama Club

The Drama Club was very small this year, with only 11 members. We were very busy planning a trip to see a Broadway musical and raising money. We would like to thank our sponsor, Miss Sinkula, for everything she did for us. This year's officers were: President — Al Kish; Vice-President — Kathy Morandi; and Secretary-Treasurer — Sandy McDonald.

C.H.S. Roadrunners

Despite the rain and cold weather, the 1978-79 Cross-Country Team worked hard to improve their endurance on their home course at Settlers Park. Hard practices and workouts supervised by Coach Miss Ripple helped the team to reach their goals in the cross country sport. Course records were set by Kim Kasmer in the girls 2 mile run and by Tim Barnes in the boys 3.3 mile run. Hard work and strain is the name of this sport which was put out by the Carlynton Cross Country Team of 1979.

Carlynton's Twirlers

Majorettes: Remember tryouts? When are they? Today? Tomorrow? Next Week? They were finally held in May and we were then known as the "Golden Seven". Band camp began in August and so did Margie's shake. Remember our water battles (Laura)? . . . When is our break? Michelle's decorated car? Who wears short shorts? When do we do our feature, Moonriver? It took a lot of time and patience at the beginning but we finally pulled through and came out on top. Football season began and so did our little talks . . . How's your love life? Been to Red Roof lately? . . . Shoot a Moon!!! Our two Seniors, Michelle and Laura. Don't ever forget our great fire-twirling duet, the tears, flowers, and especially the memories that came with Senior Night. We had our great sponsor behind us every step of the way and we really appreciate everything she has done for us. We Love You and Thank You, Mrs. Gunn.

Cougar Times

The Cougar Times staff has went through a *transition* period this year. The front cover and general attitude of the newspaper reflected Carlynton's rightful character. "Innovation" was the theme each month! Our sponsor Mr. Louis Bercelli was very patient and helpful with our trial and error methods of the layout of the newspaper. We will all remember the rush — and hustle and article searching that was assigned. Debbie Harris Editor-in-Chief would like to thank the entire Cougar Times staff for working above and beyond the call of duty.

Our year . . . football games in the rain-mud . . . move down!!! All the fun we had at away games. The Pep Rallies . . . Spillwit . . . S.P.I.R.I.T. . . . Senior Night; People quitting; Cougars are going to the top. Who's getting up and who's holding . . . I get to escort the cute ones. Who's going to basketball, who's going to wrestling. We all want to thank our sponsor for helping us with a great year. We the Seniors T.S., T.P., D.L., M.S. want to thank the juniors L.S., L.K., L.G., K.D., D.W., S.K. for giving us a great last year. Thank You.

Chess Club

Chess Club of 1979. "Did you get the chess sets yet?" "Did anyone

ever call the YMCA?" Some fine chess players led by Mr. Gearing, our sponsor. Our officers, Mike Vee-dock — President; Joe Paravate — Vice-President; Mike Crossey — Secretary; Hue Nguyen — Treasurer. The Big Project: "The First Annual Carlynton Spring Invitational Chess Tournament!"

Smile!!!

This year the Photography Club's main goal was to raise enough money to purchase a camera. We are trying to give all of the members first hand experience with every aspect of Photography. We are also hopefully planning a field trip. This year's officers were: Leo Gannon — President; Michelle Veltum — Vice-President; Nisey Sevacko — Secretary.

Well, it's finally your last year here at Carlynton High School. Do you remember when you first walked through those doors the first day of your freshman year? Now this year you walked through those old orange doors and said to yourself, "Hey, I'm finally a Senior." You were probably expecting it to be very different as a Senior but you soon found out that you saw the same old faces and the same old Carlynton. Then some little kid comes up and asks you, a SENIOR, where the gym is and you smile and say, "That way" pointing to the band room. Now you feel like you're a Senior and you can't wait for the year to start. First you had your Senior picture taken and then football season started. We'll never forget our great football team, "The Blackhills Conference Champs". Of course football season ended with Senior Night — a night everyone

will remember. Basketball games and wrestling matches come along after football. After Christmas everyone starts to realize that they only have a half of a year left of school. Everyone starts talking about S.A.T.'s, jobs, college, getting married, or just bumming a round. Some people are saying "I wish this wasn't my last year" while others are saying "I want to get out of this place as soon as I can." About the beginning of March everyone starts counting down the days. You send out your graduation announcements and then the Senior Recognition Assembly comes around. Then everyone gets together and goes to Olgebay Park. Of course there are a few Senior Skip Days which everyone loved. The Prom comes along and finally the big day we've all been waiting for — Friday, June 8, 1979, graduation day at the Honus Wagner Field. There are a lot of

tears and everyone's saying to keep in touch. But it all becomes memories — ones that will be remembered when you open your yearbook and look back to the best years of your life.

DO YOU REMEMBER . . . your first day of high school; football games; The Stu-Van; Stoners; basketball games; Senior Night; try-outs for Drill Team, Majorettes, Cheerleading; St. Paul's; wrestling matches; parties, parties, parties; all the C.A.B.'s in school; VEG; 101; Our Blackhills Conference Champs; Moon Shots; all of the close friendships; or — Country Club; our ACTIVE Student Council, Kentucky Derby; Senior Skip Days; Our Homecoming Queen — Terry Trombetta; Pizza Hut; DO BONGS; The Grill Mobile; graduation day — June 8, 1979.
